*“ We actually moved house from Belfast to Bangor so that we can attend the Montessori Helen's Bay Pre-School and it was a life saver. ”*

*“ The teachers are highly qualified, looking at every area of the child's development and the small class-size means there is independent work with each child, with an important attention to detail. ”*

*“ I could see huge progress in my 4 year old after only one week at the Montessori Helen's Bay. ”*

*“ The learn-through-play philosophy is fantastic and my child developed important life skills very quickly. ”*

*“ Sending her to the Montessori Helen's Bay was the best decision I ever made for my child's development. ”*
